ceramics

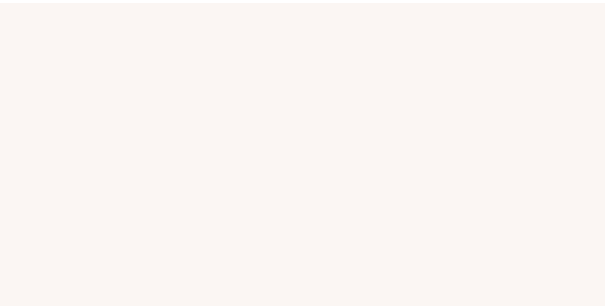

Ceramic tabletops consists of minerals that are compressed under high pressure and at a high temperature to create a very dense, homogeneous structure.

- The advantages of ceramic tabletops:
- No scratches*
 - 100% UV resistant & 100% frost-resistant
 - Does not absorb fat, acid, water or wine
 - No visible dust
 - Easy to maintain

ceramic 12 mm

This is a full ceramic plate with a glass fibre membrane underneath.

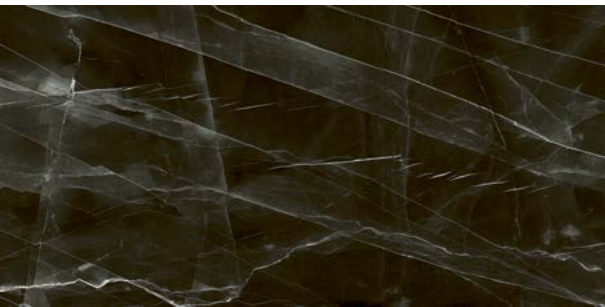

* bianco d'oro, black diamond, caravaggio and sabbia rosso are more sensitive to scratches due to a high-gloss layer.

wood

Wood has a unique, warm appearance that instantly brings a natural and cozy ambiance to your interior.

- Some outstanding features of our wooden table tops:
- Timeless and durable: wood lasts for generations and becomes even more beautiful over time.
 - Unique character: no two table tops are alike, thanks to natural wood grains.
 - Versatility: perfectly complements both modern and classic interiors.
 - Border: our tops have a unique edge finish, making 32 mm and 22 mm solid wood yet elegant.

Handmade craftsmanship
Our wooden table tops are handcrafted in Belgium from premium solid oak. The artisanal craftsmanship is evident in every detail.

General Conditions and Terms of Sale

01. In order to commit our Company (Ghekiere Industries BVBA), every order must be,confirmed by a written Order Confirmation. Each Order Confirmation sent by our Company is considered to be accepted by the client, unless protested within 8 days of reception, and implies the immediate payment of the agreed amount upfront before production is started.
02. Our Company takes all useful steps, necessary in order to respect the terms of delivery; we do not accept any delay penalty.
03. A delay in the delivery may not lead in any case to a cancellation of the order.
04. The goods are dispatched at the own risks of the consignee.
05. All invoices of our Company are to be paid in Kuurne, Belgium.
06. Our agents or representatives do not have authority to collect the amount of the invoice except when explicitly stipulated.
07. The risk of currency changes is chargeable to the client.
08. All invoices of our Company are payable within 30 days after invoice date, unless other payment terms for the client are explicitly stipulated in written communication.
09. Any amount unpaid on the due date of the invoice shall, automatically and without prior notice, bear interest at a rate of 2% above the Belgian legal interest rate, with a minimum interest rate of 12%.
10. We reserve the right to increase by 10% the amount of any invoice unpaid on the due date of the invoice. The minimum amount of any such increase shall be 50 EUR.
11. Should an invoice of a client remain unpaid on the due date, all invoices of that client shall immediately become due for payment, regardless of their original due date.
12. Should the client fail to honour his engagements, we may proceed to the cancellation of the contract. Such action shall in no way limit or prejudice our rights to claim damages and interests.
13. If in our opinion there is a deterioration in the creditworthiness of the client on account of measures of judicial execution against the client and/or other negative demonstrable events, we reserve the right to suspend all or part of any contracts in operation and to ask the buyer to provide such guarantees as we may deem proper to ensure the fulfilment by the client of his engagements under the contract. Such request may be made before or after the delivery of all or part of any order. Should the client fail to meet any reasonable demand for such a guarantee, we shall have the right to cancel all or part of any contracts in operation. Such action shall not in any way limit or prejudice our other rights for damages and interests.
14. Notwithstanding delivery and the passing of risk, property in and title to the goods, including full legal and beneficial ownership, shall remain with our Company until we have received payment of the full price of (a) all goods and/or services as the subject of the contract and (b) all other goods and/or services supplied by us to the client under any contract whatsoever. Payment of the full price shall include,

- without limitation, the amount of any interest or other sum payable under the terms of this and all other contracts between the client and our Company. The client shall be entitled to transform the goods or to incorporate them in a new product or products. In that case we reserve to our Company the legal and equitable title to the final product or products into which the goods are incorporated or mixed. The client shall store the final products separately and property of these products shall remain with our Company until full payment will have been made to us for the goods. The client may sell the goods in the normal course of his business but on condition that the buyer, in a fiduciary capacity as bailee of the goods, and for so long as he hasnot fully discharged his debt to us, shall hold and pursue claims for the proceeds of their sale equal to the price of the goods for and on behalf of us. The client shall fully pursue such claims and if necessary shall recover the sums due by legal process. The client shall if so required by our Comapny, allow us to conduct in the client's name legal proceedings in respect of the amounts due on the sale of the goods. Any sums recovered by us as a result of such proceedings (including sums accepted by us in settlement thereof whether or not equal to the sums claimed) shall be applied to the payment of the amounts due to us from the client and then to the reasonable costs incurred by us in the course of such proceedings. Any balance remaining shall be paid to the client. Prior to the sale of the goods, the client shall, as far as reasonably practicable, store the goods separately from similar goods of the client, mark the goods as our property and shall not remove, obliterate or in any manner alter any label, mark or other means we may have of identifying the goods.
15. Our Company is responsible for the delivery of goods to the client's warehouse. If goods would be damaged visibly at the moment of delivery because of damaged packaging, this has to be indicated by the client's warehouse manager in written on the delivery documentation attached to the delivered goods, mentioning date, name of the warehouse manager and a description of the damage. Furthermore it is extremely important to correctly and thoroughly check all goods at the moment of delivery. All complaints should be reported to our Company within 2 days after reception of the goods, by sending an email to info@joli.be, containing a detailed description of the damage, the exact time when the damage is discovered, and photographs of the damage. Any damage reported more than 2 days after delivery is considered to have been caused at the warehouse of the client and can never lead to a damage claim or exchange by our Company.
16. At the moment that the complaint of the client has been accepted by our Company, we will send a confirmation of exchange, specifying the new delivery date for the exchange of the goods. Our Company is responsible for the return transport; the client is responsible for packaging of the to be returned goods. If these to be returned goods are not properly packaged for transport by the client and get damaged during transport, or the client fails to present these to be returned goods to our transporter, our Company will charge these goods to the client as a regular sale.
17. The terms and conditions of this contract shall not be modified in any way by the drawing or acceptance of a bill of exchange or by any other arrangement, nor shall any such act constitute a novation.
18. Disputes arising from this contract shall be referred to the Courts of Kortrijk or, at our discretion, to the Courts having jurisdiction at the client's domicile.

joli sample cart

We proudly introduced our new sample cart during the Joli Days. A stylish and practical way to present our materials and collections.

- It features space for:
- Ceramic samples
 - Fabric swatches
 - Catalogues

A refined and functional tool for your showroom and available for quick delivery.

Interested? Get in touch with your sales agent for more details.

new professional portal

Discover our brand-new Professional Portal. Designed to make your work faster and more efficient. You can now preview and download exactly the images you need, photo by photo, including packshots and more. The portal also gives you quick access to all essential materials such as price lists, catalogs, and collection sheets: all in one central place.
